

Race into the Center for Machining Excellence Open House

Register Now for Indy Days

The month of May is the perfect time to race into Central Indiana for **Indy Days**, presented by the **Center for Machining Excellence (CME)**. Located just 30 minutes away from the roaring engines at the Indianapolis Motor Speedway, the CME is a state-of-the-art manufacturing education and innovation facility.

Schedule for May 14 and May 15

Start: 9:00 AM EDT

End: 6:00 PM EDT

Starting line:

4420 Anson Blvd.,
Whitestown, IN 46075

Ready to be part of the action?
Secure your spot in the lineup at
www.regousa.com/IndyDays

What to Expect

- ▲ State-of-the-art technology exhibits (See Exhibitors below)
- ▲ Machine demonstrations (3-axis, 5-axis & Swiss machines)
- ▲ Industry Leader Presentations: Automation, CAD/CAM, Coolant, 3-D Metrology, Presetting, Probing, Process Improvement, Rotary Tables, Toolholding & others
